NOTICE OF OPPORTUNITY TO OBJECT

The debtor(s) in the above captioned case filed a chapter 13 plan on date above. The plan is attached.

Your rights may be affected by the plan. You should read the plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. (If you do not have an attorney, you may wish to consult one.)

Any objection to confirmation of the chapter 13 plan must be in writing filed with the Court at 1100 Laurel Street, Columbia, SC 29201-2423 and served on the chapter 13 trustee, the debtor(s), and any attorney for the debtor(s) no later than 21 days after the service of the chapter 13 plan, as computed under Fed. R. Bankr. P. 9006(a). Objections to confirmation may be overruled if filed late or the objecting party fails to appear and prosecute the objection. If no objection is timely filed, the plan may be confirmed by the Court without further notice.

If you file an objection, you or your attorney must attend the hearing scheduled by the court on confirmation of the plan. Notice of the confirmation hearing is provided in section 9 of the Notice of Chapter 13 Bankruptcy Case. However, the Court may set an earlier status hearing on any objection upon notice to the applicable parties.

If you or your attorney do not take these steps, the court may determine that you do not oppose the terms or relief sought in the plan and may enter an order confirming the plan.

To receive a distribution from the trustee, a proof of claim, including adequate supporting documentation and filed in compliance with Official Rules and Forms, must be filed with the Court. For purposes of plan distribution, a claim shall be treated as provided for in a confirmed plan. However, if a claim is treated as secured in a confirmed plan and the affected creditor elects to file an unsecured claim, such claim, unless timely amended, shall be treated as unsecured for purposes of plan distribution. Any creditor holding a claim secured by property that is removed from the protection of the automatic stay by order, surrender, or through operation of the plan will receive no further distribution from the chapter 13 trustee on account of any secured claim. This provision also applies to creditors who may claim an interest in, or lien on, property that is removed from the protection of the automatic stay by another lienholder or released to another lienholder, unless the Court orders otherwise, but does not apply if the sole reason for its application arises under 11 U.S.C. § 362(c)(3) or (c)(4). Any funds that would have otherwise been paid to a creditor, but pursuant to these provisions will not be paid, will be distributed according to the remaining terms of the plan. Any creditor affected by these provisions and who has filed a timely proof of claim may file an itemized proof of claim for any unsecured deficiency within a reasonable time after the removal of the property from the protection of the automatic stay. Secured creditors that will be paid directly by the debtor may continue sending standard payment and escrow notices, payment coupons, or inquiries about insurance, and such action will not be considered a violation of the automatic stay.

3.1(c) The debtor elects to make post-petition mortgage payments to the trustee for payment through the Chapter 13 Plan in accordance with the Operating Order of the Judge assigned to this case and as provided in Section 8.1. In the event of a conflict between this document and the Operating Order, the terms of the Operating Order control.

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

The debtor requests that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor states that the value of the secured claim should be as set out in the column headed *Estimated amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the Court after motion or claims objection filed after the governmental unit files its proof of claim or after the time for filing one has expired, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5.1 of this plan. If the estimated amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5.1 of this plan.
